

## Tell Your Faith Community about CaringBridge **30 Second Speech**

When you or someone you know is facing a serious health event such as cancer, premature birth or an accident, use CaringBridge to stay connected and receive support. CaringBridge provides free, personal websites that connect family, friends and faith communities.

The websites are easy to set up and use. Authors add health updates, prayer requests and photos to share their story while visitors leave messages of love, support and prayer in the guestbook.

Please recommend CaringBridge to those in need. It is a great way to strengthen our faith community. Visit [www.CaringBridge.org](http://www.CaringBridge.org) for more information.
